You fool
Don't insult me or I'll wound you
I think it s time to make them pay then
Lets go

Yeah
We won't lose
Somehow
Please come back here
Don't die

For 2 000 years behind Earth s history the continuing chaos
This is a fight no one knows about

Come and get it, then

And so we received it.
A time of revolution written in the stars..

From what?

Ugh

Kaname-kun!! Are you okay?
A different huge power
Don't touch me

When you
Kaname kun?

Things have gotten interesting now
Damn now I can't wear this anymore
I'm a money less student too
What do I do?
I had no idea
that you were hiding that
Do I fight against him my friend

Something's weird about him
Hm
I guess questioning you is useless
that he's been Mind broken?!
It can't be...

Is that girl— she's the catalyst!!
So the one who awakened this power and is making him run rampant.

Kaname-kun
no more please!
Kaname-kun!!
Ah, fuck!!

!!
Fu
!

Uu

Kaname
NO STOP!!

He'll die
He'll die

...are you an idiot? Why are you protecting me?
I was trying to kill you!
Because that's bad!!
It's bad to be killed but to kill is even worse!
It's bad for people to die

It s just bad!!!
Ah
th s feels good
a gentle nice scent
I d forgotten how to feel like th s
to heck with it! killing her
the whole th ng's just gotten kind of stupid

Oh that s right this s
A Mindbreaker s power!
Isn t this why I fight even w th a friend.
For a girl like th s for people I want to protect
That s why I-

She s influenc-

Mind
breaker

What have I
I

Kaname
Sorry Itsuki--
Sorry
I didn't want to hurt you-
kun?
Again somebody--
With that power!--

Kaname!
I spilled the r blood-
Yet another important person to me-
Don t take it the wrong way
I was the one who started it
It wasn t your fault

Kaname-kun-
Don't call me like that!!
It's disgusting
Kaname-kun!!
ドンッ
The power to hurt my own friend
I never wanted it!!

Do you...
Do you hate me now?
Kaname-kun...
Hey!
I was trying to kill you remember?
And that's why Kaname did all that!
Huh? What do you mean? You didn't do any
Don't cry
It's my fault anyway

Oh goody!
Sure I don't feel like it anymore anyways
I'm sorry I'm really really sorry... I've lost my bet
Ummmm would you mind not try ng to kill me anymore?
oh that s right
aren t you surpr sed?
?
There s no wey this is normal!!
Kaname s body my powers
but-
Well, I am a little startled..
A long time ago ... somewhere

Kirihara Mana
After all the one who awakened Kaname was
I remember beautiful
beautiful black wings

You like Kaname don't you?
Eh.
ehhh?!
Actually I like him too
EHH
But from here on, because of that power he could get into some dangerous situations
So knowing that
What will you do?
he's a very important friend to me
Er um no not that way

I want to protect h m
Thrown into the middle of a never end ng f ght alone.
Kaname doesn t sense it yet but
If he gets caught up in this what will you do?

Welcome to the Aquarian Age!
well your own words have decided it
From today on you are a Mindbreaker

Do you feel sick? Should we call a teacher?
Hey you! Are you alright?
Hey
Ah
Everyone's returned to normal?
A dream?
Yes. It had to be a dream
Oh no. I'm fine. thank you for your concern!

There are four different types of power users like us and they prolong the fight through trying to take dominance over the others

The ones who continue the arts of the east, the Arayashiki

The wizards of the west Wiz Dom

Ones whose bloodlines stretch back into ancient times Darklor

And the ones who herald in new age EGO

Nobody actually knows how this fight started

All we do know is that it's been going on behind the rest of human history for about 2000 years

Kaname Shigiriki

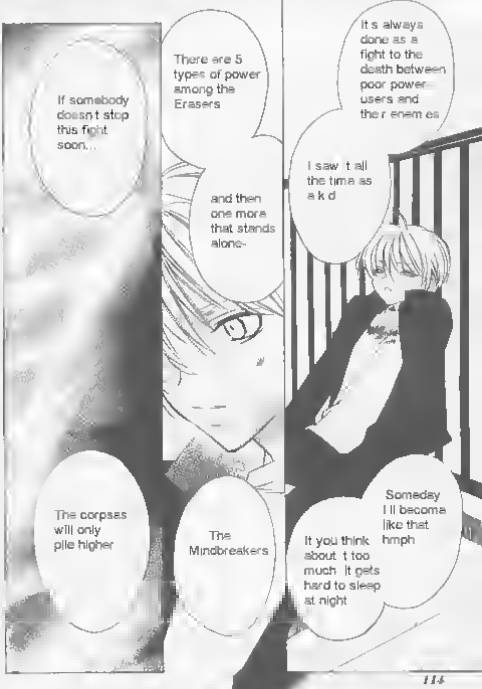
Ego?
Evolutional Girls Organization
shortened its EGO
Actually that's the one my family belongs to
But you're a boy and it says girls
Well most of the people with ability in this line are girls. In fact there were nearly no guys who had it at all!
Ack you picked up on it
In my family the women passed it through their line
In fact they were one of the main families of EGO!
But when my mother left the house the main family virtually went extinct

Ah I just found it too boring
I guess the people around me really expected someth ng but
I was the first boy born there in years
Erasers'
that means to make d'sappear'
I've been told that they come from outside Earth
Also a new type of power user has appeared
I have someth ng more important that I want to protect
I didn't want to become just some tool of the organization

Their purpose and goal is unclear and their potential doesn't seem to have anything to do with our forms of power
They're a mysterious lot
Eraser
thump
For you who's been living in a normal world normally
this talk must all seem hard to believe
Oh no!
Does that sound familiar to you?
There's no reason for me to know about that
for me it's all just fact
But

Naoya!
Don't look at it!
grip

It s sh eld failed
Let s go
But Mommy!
That person s bleed ng lots!
It can t be helped
It was that person s destiny
Someday that may even happen to me
On th s s de It s e common occurrence
N no way!!
Mother ?



If somebody doesn't stop this fight soon...
There are 5 types of power among the Erasers
and then one more that stands alone~
It's always done as a fight to the death between poor power users and their enemies
I saw it all the time as a kid
The corpses will only pile higher
The Mindbreakers
If you think about it too much it gets hard to sleep at night
Someday I'll become like that hmph

Daddy..
Daddy
I'll protect you so-
Don't cry -
I'll protect you-

I don't want anybody more to die
So please live
No matter what
I understand
Mana

What is this?
If it will help you live-
even if it's sad I've
even if it's hard
Even if it hurts
Then I, too will fight

It's warm.
and the pain is fading away
Ms Kirihara-
EEEK!!
er
W-what am I doing feeling up a boy's chest?!
feeling me up what weirdo
I I didn't even really think about it
I just thought that maybe you might heal faster this way
Th-there's no way that would happen right?
My wound's healed
She rose my healing power?
A Mindbreaker can drag out the user's power to its greatest levels

But more than that t that power
is only deployed for the use of the Mind-breaker themselves
So that amazing strength of Kaname-
appeared to protect the girl?
Probably Kaname is avoiding her because he doesn't want to be Mind-broken again.
What on Earth happened between those two?
Are you okey? We should go soon!
Itsuki-kun?
This ll be bad for h m

--Aw damnit!
KUSAKABE KANAME!
No matter how much you dislike it
she's going to become a compatriot of ours!!
In other words!!
Master!!
Z-by Master you mean me...?

Hey what's up Shiba-sempai?
whistle
Oh, nothing
Just that playing with guys who don't even come up to my shoulders is making me really pissed
Geez, you're really irritated
So I suppose I should start gathering compatriots, then?

Hey what s wrong?
I'm just in a bad mood today
You get wounded or something? Your face-
Senpai
I fell down

どくん
Your face is pale too
You can take a break for today!
Shiba-sampai...
Why did Itsuki have that power?
Those people from 7 years ago-
t s the same as theira-
...sorry about all this

ガシッ!
Second year class Z's-
Kusakabe Kaname correct?
I cannot believe that a member of the demon tribe would be here in this very school
I have followed my sense of demon power and come to you here

You have hidden very well up until now
but I will not forgive you for assuming the disguise of a student
In Thy name oh Lord,
I will destroy this Demon!
again..
M my
back

Uuuh
Well then show your true form to me
You Darklor!!
demon no
I-
I don't know--
what you're talking about!!

I have noth ng to do with your world-
I m just-
Kusakabe that you?
What s all that noise?

You have very good luck
today I will let you run away
Kusakabe?
Nakaura-sensei?
W-what s going on?

What's
going on
here?
S sense ?
Kusakabe?
Hey!

Heavenly Father
Tomonori san says that you know everything that goes on in this existance so
You must know something about me
I
Who am I?
If that s true

If he sees me like this
Tomonori-san will think I'm disgusting
Tsukasa?
Are you there?

Tomonori san!
You're kind of late today
yes
My work ran long
I'll make dinner tonight
I'm looking foward to it

G'night
Good night!
I
didn't want to meet you!
Kaname -kun

Who am I?
Where did I come from?
What's my real name?
Who are my mother and father?
I don't know -- any of it
Hey, you!
My oldest memory is of being in the rain--
with somebody calling me-
I hurt all through my body...
Hey!

Are you okay?
What happened?
Who am I?
Hey, hey
Amou-kun!

Oh, sorry what was that again?
We were talking about our elementary school years
Kirihata was hate all the way until 4th grade d'oja know?
I'm sorry
I can't talk about that
H-hey what's with you?!
What's with him
he gives me a bad feeling!
Ah-
What's wrong Nacchan?
Oh no. I forgot!

Amou-kun's lost his memory
lost his memory?
I don't know much about it but it seems that he doesn't have any family
Do you know Nakura -sense? He's the math teacher
He became Amou-kun's guardian
oh dear I asked such an awful thing
Ohhh t can't be helped besides you didn't know
The bad one here is me
Goood morning!

Itsuki-kun!
Good morning!
Kaname ain't coming to school today
I called him this morning, and heard it from his sister
he isn't in? even came to the phone himself

It s that school huh
—shall we go?
Yeah
Hiding the flow of their powers like a dragons blood in its veins
To be able to tell that there s more than one there from so far away
No sweat for our Master

Do you remember the Master's orders?
Don't risk getting wounded, so engage no persons of power here...
but if you should meet a Mindbreaker...
Of course!
--kill it!!
Alright then, I'm going
Take all the time you need!
You bastard!
Running off so quickly-
H hey wait up!
I can't just fly off like you y know

Whatever
The only orders I listen to are the Masters!
I went off and tried to meet him again
but Kaname wouldn't even look at me or talk to me
He must really hate me after all

I have k nd of a weird question
Oh no

I don t know who I am
My real name my parents
um
It s true
what everybody says
You must think I m horribly weird
I don t remember anything.
Not even what on earth I did before a certain time
Oh no!
You mustn t think like that!

you know
I don't have any parents either
About 7 years ago my father died in an accident
My mother had died of illness just a month before
I am living with my aunt and so I returned here to Tokyo.
and I was able to meet an old friend of mine that was very important to me but
The accident that caused us to have to separate.
I don't remember it very well

I
didn't want
to see you!
I may even
have
cause a person
I loved to sufter
Not being
able to
remember
-is scary
But it's
like having
a part of
yourself
that you
don't know
So just
a little
very little
bit
I
understand-
-your
problems,
Amou-
kun

Miss Kirihara
Which s why Kaname
hates me uh
waah hhhh
ぼろ
ぼろ
ぼろ
Please don t cry
okay?
If you do even I will become sad
Amou-kun

you're really amazing Miss Kirihara!
Tee hee
?
When I'm with you I get such a happy gentle feeling.
I wonder why?

M miss Kirihara-
You-
!?
Pretty such big white teethers w th the l ght shining through them
you are Amou-kun right?
No m stake it s e Mnd breaker
I found you
thus energy

That head of yours--
I'm going to offer it to [illegible] Master
Yo!

Isshin san's pretty mad-
He says you're a shirker!
Actually that's a lie He's got other things on his mind
Itsuki
hey
You don't have to avoid Kirihara so obviously!
Weren't you friends when you were small?

I m also a power-user myself you know so I can imag ne what happened but
that day
when I came to myself I was standing alone in a sea of blood
I didn t know what I d done so I just wandered about in a daze

At that time I was just-
scared
but later on it came back to me in bits and pieces-
the feel under my hands of tearing apart--
In the middle of those vague memories I was smiling
Joy at releasing my power and having it spread through my body
That's not human
It's demonic
meat and bone, and life

That day my parents both died
Maybe I even...
Kaname
I would have done the same to y
Kaname!!
And even now
with this hand!
...I'm alive, aren't I?

...Itsuki.
With that power of yours-
what do you do?
It can't have been peaceful for you to have it, either.
...I think about it this way

This
is is power for me to protect people with
Well Kaname?
There's no endless night in that reasoning, is there?

If the darkness takes over again and you start to rampage, this time I'll be there
It's not like I'm taking up a hobby of getting wounded or anything but if someone's there
If you have a compatriot there
then you can overcome the night and build up your courage
right?
Compatriot

!?
What's this?
It feels really bad-
Kaname?!
Mana
